Petitioners approached this Court with certain grievances regarding the recovery steps initiated at the instance of the second respondent. Learned counsel appearing for the Bank submits that even the directions issued by this Court regarding payment have not been complied with by the petitioners. Be that as it may, the claim is for one time settlement. It is for the petitioners to approach the second respondent, in which case appropriate action in accordance with law in the matter will be taken expeditiously. In case the petitioners request for a statement of accounts within one month, the same shall be granted. The benefit of any settlement schemes, current or available during the pendency of the writ petition, subject to the petitioners satisfying the required conditions, shall also be extended to them. In order to enable the petitioners to work out the relief as above, there shall be no recovery for a further period of six months.

The writ petition is disposed of as above.
